Letter of condolence to the family of Jade Roux

Jade joined Bush Radio in 2008 at the age of 11 years, and was part of our Children's Radio Education Workshop project since then. He played his role as part of the team in producing and presenting the hour-long programme Bush Tots and later Bush Kids, but also played a leadership role in encouraging and assisting his peers with their preparations.

In 2010, Jade attended our Media Kidocracy Conference, which he enjoyed very much. In December 2012, Jade again attended our 13th Media Kidocracy Conference, and immediately played a leadership role in the television production group. His ideas and hard work during this week showed his interest in television production, and when we spoke to Shantell on Monday, she said that Jade was so glad he attended and was excited about the products they produced as a group. Jade did not reach his full potential as his life was cut short unexpectedly, but what he left behind will encourage his peers to perform their best.

As Bush Radio Directors, staff and volunteers, we would like to extend our heartfelt condolences to the family and friends of Jade. He will surely be missed, and leave a vacuum in the lives of his family and those he touched.

Regards,

Brenda Leonard
